

Manor Park Home Learning Tasks

Week 15/6/20

Maple Class - Year 1

Reading

Have a listen to the story of the Stick Man - <https://www.youtube.com/watch?v=OPZDWJ-I5Lk>

*He wasn't seen as a stick - what did people use him for? What would you use a stick for?

P4C:

What is fairness?

Open up a packet of sweets and share them out unequally, keeping most of them to yourself!

*Is this fair? Why, why not?

*How does the way you shared the sweets make you feel?

*What would be a better way to share them out?

*Why would this way be a better way?

*Is it always fair to share things out equally?

Writing Focus

Fiction: Imagine you are a stick who got lost on the Isle of Man. Where would you go? Who would you see and what would you get up to? Write a story about your adventures as a Stick Boy or Stick Girl.

Science/Topic Focus

Our topic this half term is all about animals. If you haven't done so already, draw a picture of your favourite animal and explain why it is your favourite. If you have a picture of your favourite animal, find out 5 facts about it and think of 3 questions you would like to find out.

Maths Focus

Year 1: Counting to 100!

This week we are going to focus on counting to 100. Have a practise counting to 100 in different ways - for example you say one number and your mum or dad says the next until you reach 100.

Can you:

*Count forwards from 80 to 92

*Count backwards from 73 to 65

*Write down the numbers between 75 to 81

*Write all the numbers to 100

Information

I will still be available to contact over ItsLearning for you to send work to and provide support. Please do not hesitate to contact me for support.

Stay safe :)
