

# Chocolate Easter Nests

## Ingredients

A bar of cooking chocolate  
A box of shredded wheat  
A packet of chocolate mini eggs  
Cake cases

## Method

Break chocolate into pieces and place in a heatproof bowl.  
Break up several shredded wheats. Carefully place the bowl over a saucepan of recently boiled water **held by an adult**. Stir the chocolate until it has melted.  
Remove the bowl from the saucepan.  
Add the strands of shredded wheat and mix until combined as a stiff mixture.  
Spoon the mixture into cake cases.  
Make an indentation in the top of the nest.  
When cool decorate with mini eggs.
