Parent / Guardian name: _____

Pupil name(s): _____

As the parent or legal guardian of the above pupil(s), I grant permission for my daughter or son to have access to use the Internet, e-mail and other ICT facilities at school.

I know that my daughter or son has signed an e-safety and acceptable use agreement form, which if not adhered to may result in their access to devices being restricted or withdrawn.

I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school will take every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials. These steps include using an educationally filtered service, employing appropriate teaching practice, and teaching e-safety skills to pupils.

I understand that the school can check my child's computer files, and the Internet sites they visit, and that if they have concerns about their e-safety or e-behaviour that they will contact me. I am also aware that the school devices that are lost can be tracked globally.

I will support the school by promoting safe use of the Internet and digital technology at home and will inform the school if I have any concerns over my child's e-safety.
