The Golden Rule: Think before you click

😊 I will be careful when using or carrying equipment.

😊 I will think before I print or delete.

😊 I will be sensible when going on the internet by only looking at pages that the teacher has asked me to use.

😊 I will only use the equipment I have been given and ask the teacher if I need anything else.

😊 I will only use the internet when a member of staff is with me.

😊 I will follow instructions for using equipment carefully.

😊 I will tell a teacher if I see something that I don't like.
